

My Father's Kingdom

Annual Report 2021

Our Mission

Empowering People in Poverty to **Excel** and **Achieve Sustainability**

2021 Was a remarkable launch year for My Father's Kingdom Foundation!

With the Lord's help and the generosity of our supporters, here is how we cared for God's kingdom and beloved community:

The Word of God

In the beginning was the Word, and the Word was with God. Thankfully God also left his word with us, and we intend to share it. As part of that effort we supported the Bobby Brimmage Scholarship fund of Cleveland Ohio; this fund specializes in providing Bibles for those who hunger for the Word of God.

Our Ministry Partnership in Colombia

Trips to different regions of Colombia this year provided mentoring for adults and children in need, indoor running water in homes that had none, a building that will be used for worship, community connection, and vocational training; teaching trades like carpentry and plumbing to young men and jewelry making to young women.

The hospitality we've received from our program partners in Colombia is second to none. We are welcomed and greeted with the love of Christ by Pastor Roberto Medina, his wife, and family. Pastor Roberto started ministry in Colombia over 20 years ago feeling called to minister to an impoverished community - a community that often felt forgotten by the world, but was hungry for spiritual nourishment and eager to know about the love of God and see it in action. A community open to learning skills to help themselves and their families.

Most homes in rural villages of Colombia do not have adequate roofs, stable walls and doors, or indoor running water. Thanks to the support of My Father's Kingdom, at least one home now has indoor plumbing and running that water that can be shared with other nearby households.

On a collaborative trip to Colombia several US based supporters of My Father's Kingdom joined hands with Colombian hands to construct a new multi-purpose building. This has become a central hub for this community. It is used for worship, music, training, education, and formal and informal community gatherings. Look at GOD!

Our New Web Home

In 2021 not only were we incorporated as a formally organized foundation dedicated to Empowering People in Poverty to **Excel and Achieve Sustainability**, but we also launched our new website home, <https://myfatherskingdom.org>. Please visit us on our site to see program updates, sign up to volunteer, get early information on the foundation's future planning and growth, and provide financial or in-kind gifts should you feel so moved. We invite you to join us in our work and service to the community.

Thank You for Your Help

In 2021, our inaugural year, we received gifts totaling \$7500.00 allowing us to go above and beyond the limits of our initial budget of \$4000.00 and to provide the services reported here. God's love in Action.

Thank you for your amazing generosity, we truly could not have provided help in these ways without you. Thank you for joining us in this vital work.
